Administration

East Central Junior College
L. O. TODD, PRESIDENT
Decatur, Mississippi

May 15, 1951

Message From The President:

The year 1950-51 has been a significant year in the life of East Central Junior College. It has been primarily significant because it has been a year in the lives of the people who work and live together as students and staff.

The year has been significant in that we have seen many improvements in the physical plant. This will be known as the year that

the Student Center first was opened and we all know what it has meant to us.

This is the year that--
we had the new cafeteria and that has been a most outstanding addition.

This is the year that--
we have added additional rooms in Jackson Hall and in which other improvements in that building were made.

This is the year that--
we had the Gymnasium enlarged and improved.

This is the year that--
many improvements were made in the men's dormitories.

This is the year that--
additions were made in the Agriculture Department.

This is the year that--
we have had the largest enrollment in the history of the college and the largest increase from one year to the next.

This is the year that--
we had more student leadership in student and college affairs of the college to date.

This all means that East Central Junior College is a live and growing institution. This will challenge the loyalty and responsibility of every student and every faculty member to keep the college alive and keep it growing and improving.

Yours truly,
L. O. Todd
President

PUBLICATIONS

The school publications serve as the voice of the school, as a record of its activities and are a reflection of its personality. The Wo-He-Lo and the Tom-Tom attempt to thus serve this E. C. J. C. institution through that media. The Wo-He-Lo strives to preserve a record of the achievements of the student body as a unit into a well-developed, well-integrated institution. It is not meant to preserve the achievements of the individual but of the student body.

Through these publications the administration speaks to the students and their parents conveying ideas for the stimulation and giving official information. They also serve as a means of recognition to those who deserve it. The staff members of these publications gain invaluable training and experience in the field of journalism.

The Vocational Industrial Department of East Central Junior College provides excellent facilities and activities in Vocational and industrial education for the peoples of the surrounding district. The primary objective of this department is the training of skilled workers for industry. The facilities provided are equivalent in quality to those provided in the best industrial plants.

This department offers courses in automobile mechanics, body and fender repair, masonry, carpentry and electricity. The duration of the courses is from eighteen to twenty-four months. Upon completion of these courses students are receiving jobs in industry and are having outstanding success in their employment.

The department has greatly aided in the building expansion program that has been carried on this campus this year. In addition to the smaller contributions which are too many to enumerate here, students in this department have built the student center, the art department building, the poultry house and have aided in relandscaping the campus. Through these contributions and the training program, this department is an asset to the college, the community and the district.

The Baptist Union is the connecting link between the College and the local Church. The membership of B. S. U. is made up of all students who have joined one of the organizations of the local Church, such as a Sunday School Class, Training Union or Young Women' Auxiliary. He also becomes a member by joining the local Church.

The Baptist Student Union elects an Executive Council of twelve to fifteen members to serve as leaders in co-ordinating the work among the Baptist Students on the campus.

JOHN GRACE
Backfield Coach

HILLERY HORNE
Head Coach

A great football season unraveled at East Central in 1951 as the Decatur Warriors racked up a record of eight wins against only three losses.

Head Coach Hillery Horne and Backfield Coach John Grace administered coaching skill to the fullest extent to forty eager young men who came to East Central Junior College because they had that inner desire to play football and to bring to their school triumphant victories.

Eleven players returned to East Central from the 1949 squad and a horde of Freshmen talent added their skill to Coach Horne's system which gave eleven junior colleges stiff competition during the three months.

Yes, the 1950 season was a great year for Decatur — the players scoring the victories and the student body behind them at every game.

EAST CENTRAL 46 SUNFLOWER 0

The Warriors began the 1951 season with a bang by an overwhelming 46-0 victory over Sunflower Junior College. Almost the entire game was played in Moorhead territory with the Trojans threatening only once and this during the last quarter. There were two outstanding plays by the Warriors.

The first outstanding play was the opening kick-off when Sam Miley raced ninety-one yards for a score, aided by the precision blocks by the Warrior line-men and a key block by W. S. Donald. The other outstanding play was a sixty-four yard run for a touchdown by Pete Lee late in the third quarter. Sam Miley, Tip Canady, Joe Blanco, Charles Duffy and Hopper Thomas scored.

EAST CENTRAL 12 NORTHEAST 7

In the second game of the season the Warriors travelled to Booneville only to return victorious. This 12-7 victory for Decatur gave them a clear-cut title to the conference lead.

The most outstanding player was Charles Duffy. Tip Canady also added his skill to the game to aid in the victory. C. G. Rives' skill at tackle was aptly used and became a deciding factor.

This game was a rough one. Decatur was penalized 100 yards. The Warriors actually scored three touchdowns but one was called back because of a clipping penalty.
Booneville's only score occurred in the fourth quarter on a flat pass which covered about 60 yards.

EAST CENTRAL 19 ELLISVILLE 0

Decatur brought home the bacon when they won the third straight game of the season by downing the mighty Ellisville Bobcats 19-0. The score was not indicative of the mighty yardage battle that raged from beginning to end of the game.

The first two touchdowns of the game were spectacular. Tip Canady tore through the line six yards for the first touchdown with nine seconds remaining in the first half. Earl Williams dribbled around end to clip nine yards and a touchdown in the third quarter. Jackie Pope helped to roll up the score for East Central after alternate runs by himself, Canady, Miley ,and Duffy.

As we well know the backs couldn't make such brilliant plays without the team work and cooperation of such linemen leaders as Bobby Price, C. G. Rives, Sam Rutigliano, Tony Harbor, Tony Taylor, and Ray Warren.

EAST CENTRAL 32 SOUTHWEST 20

Following the defeat by Goodman, the Warriors tightened up to win an easy victory over the previously unbeaten Summit Bears.

The Warriors were the aggressors during the entire game making fifteen first downs to Summit's six. Earl Williams and Tip Canady accounted for twelve points each while Billy Barnes scored one touchdown.

Outstanding players in the backfield were Earl Williams, Billy Barnes, Charles Williams, Sam Miley, and Buddy Dees. Playing expertly in the line were Bobby Price, C. G. Rives, Tony Taylor, Steve Webb, and Sam Rutigliano. Tip Canady completed five passes to Rutigliano and wo to Ray Warren.

Next comes a game which no one needs a year book to remind them of. It was the Saturday night of October 28, and we all piled into cars and busses and went over to Meridian's Ray Stadium to play Scooba.

Now Scooba was the pre-game favorite and had been beating the socks off everything they had met. They even had a feeling that they would go to the Little Rose Bowl.

Scatbacks Charles Duffy and Earl Williams and line busters Sam Miley and Tip Canady gained Decatur an early lead which held throughout the game. Playing professional type football the Warriors even held the heavy Lions for four downs on the one foot line.

Rest was in order after this victory and a rest it was for we had no school the following Monday.

Coach Horne cleared the bench on the cool night of November 4, and played every man to defeat Senatobia 40-7. The Warriors, scoring almost at will, ran up an early lead which held throughout.

Sam Rutigliano scored twelve points for East Central. Buddy Dees accounted for six points, Billy Barns made six, and Hopper Thomas scored a touchdown and four extra points. East Central made eighteen first downs to Senatobia's seven.

Hopper Thomas lead the scoring and scored twenty-one points on plunges of three, two, and seven yards. Earl Williams carried the ball on two pay off trips—one a beautiful sixty-eight yard punt return.

Ray Warren, Sam Rutigliano, and Mickey George completed passes which were valuable in setting up three touchdowns.

MY TALE IS TOLD

But before we write finish to this yearbook I would like to express my appreciation and gratitude to the people who have so unselfishly given their time, work , and advice in compiling this book.

To the following I would like to give special thanks:

- Dr. Todd who has offered his assistance in whatever capacity needed.
- Mrs. Newsome and Mr. Slothower who have so ably given advice and assistance.
- Mr. Becker for his excellent art work.
- Pippen and Carstens Studios for their fine co-operation and excellent pictures.
- B. V. Walton, Business Manager and Norman Thomas, Staff Photographer, for their outstanding work.
- Macie, my wife, who has been an inspiring influence.
- Wallace Engraving Co. for valuable advice.
- All others who have helped me.
- And to the annual staff may I say, "Well Done."

If we have made errors, I assure you they were made unintentionally.
